### PREFACE

#### “OUR DUTY TOWARDS THE MOTHERLAND”

Dear well-wishers,

“This life is short, the vanities of the world are transient, but they alone live who live for others, the rest are more dead than alive.”

An aforesaid lines said by the great philosopher through which an electrifying penetration is being stretched forth to lead us. This means that let us ‘pray and work hard’ day and night for the down-trodden millions in Nepal, who are held fast by poverty, ignorance and evils. Education is acquisition of knowledge is a continuous process. A baby is born absolutely innocent of conscious knowledge, KBS certainly opens its door and holds out promises to produce men of good character. This school is fundamentally an institution erected by our well-wishers to do a certain specific work to exercise a certain specific function in maintaining the life and advancing the welfare of society.

The school appeared in the district board exam of class VIII for the first time and the result is due very soon. The school year went on smoothly with a tremendous number of new enrollments in the beginning. This indicates, the school is growing rapidly (around 800 students). The annual program resembles to KBS Ktm except the time of academic year differs.
