## PREFACE

Dear Well-wishers,

KBS proudly announces and expresses its an ecstasy on completion of its 26 years of its journey (1993-2019) As a matter of fact, we are keenly exultant to celebrate unalloyed 'Silver Jubilee' Celebration in Feb. 2020 with great pomp and circumstance.

The destination we reached today is the outcome of team work sincerely and assiduously endeavored for the sake of poor, down-trodden and under privileged children. It is a really wonderful role that KBS has played over the course of 25 years.

Nevertheless, Invincible situations that have persistently created different complications from the unfavorable social set-up but our unflinching determination, sublime coaxing, and above all our well-wishers unconditional support eventually obviated the vexed situations.

Hopefully our journey for the Golden Jubilee will be more amazing, tremendous and dynamic.

The work done with "Zest" produces the Best.
