## **16 Days of Activism against Gender-Based Violence**

On the occasion of 16 Days of Activism against Gender-Based violence, a worldwide advocacy campaign, KBS joined together with **Bikalpa Gyan Tatha Bikas Kendra**, to organize Children Mural Painting on the theme “Hope for Peace” on December 9, 2021. Nearly 6 schools joined with us to make this program a success.

Students were engaged in an opportunity to communicate with their peers about the issues. Together, they created artworks that aimed at raising awareness on violence against women and girls and at spreading messages of peace in the community.

To mark this day, **Stella Maam**, founder of Bikalpa, shared a message of solidarity to end all forms of violence against women and girls.

### **Menstrual Hygiene Management Campaign**

As we all do talk a lot about the gender equality, but menstrual topic is still something that makes people feel uncomfortable especially in Nepal. To break this taboo, KBS team collaborated with **Dr. Sangye Khando Lama** on December 01, 2021 to raise awareness of the said topic, so that the girls feel empowered to manage their periods safely and hygienically.

### **Free School supplies Distribution Program**

The period of Covid-19 had made it very hard for all of us. Many lost their jobs and had difficulty taking care of everything. In this tough time, it was impossible for some parents to even provide their children the basic school supplies. So, after doing some research, we collected names of 100 students who were really in need and provided them supplies like Bags, Copies, Pencils, Masks, etc. We are grateful to our donors for supporting this kind act.
